First let me say that it is great to see everyone and I hope that you all had a great summer.

Mission Royale has a new website. The main change to our website is that now Mission Royale passholders can book a tee-time online. Below are the steps to book your tee-time online.

Website address is [missionroyalegolfclub.com](http://missionroyalegolfclub.com) when on the website click onto tee-times and a drop down menu will appear. Go to member tee-times and it will take you to available times and days. Once you have selected your time a window will appear asking you to confirm the number of players, after confirming the number of players click on check out. Once you have checked out a window will appear at which time you will have to create an account. This account will be used to sign in when booking future tee-times online. Please remember that on this website you can only book 8 days out. If you have any problems with our website please give us a call or drop by and we can help you.

### **Mark your calendars for current or upcoming events**
